General Description of items brought in	
<p><b>When we accept:</b> Items for consignment are accepted the first week of the month, the 1st through the 7th. Donations may be dropped off at any time.</p> <p><b>What we do not accept:</b> Old equipment (usually older than 40 years, but there are exceptions), knitting machines, novelty yarns, old yarn (if the label is yellow/brittle and/or the tape is falling off, it is old), big box store yarn (Hobby Lobby, etc.), straight needles or old circular needles, magazines, individual patterns or company pattern books, partial balls of yarn (unless matching skeins are included), or partially completed projects. However, old pastel colored straight aluminum needles may be donated, and we will pass them on to a jewelry artist. Looms with a weaving width wider than 36".</p> <p><b>What we do accept:</b> Books, full skeins of yarn, modern tools including spinning wheels, looms, hand cards, drum carders, knitting needles, hand combs, notions, rug hooking tools and supplies, wool fabric, etc. We will accept some other items, please ask before bringing them in. <i>Looms must be preapproved before being brought in. Send photos to heritagespinning@gmail.com.</i></p> <p><b>When bringing things in:</b> attach your name and contact info securely on every container (not on every object, just label the largest containers/objects).</p> <p><b>How we price:</b> Remember, first and foremost: our goal is to create a win-win-win situation. You get money out of something that has been sitting around for a while, the shop makes money brokering the sale and the customer is happy because they get good prices. No one is getting rich here. We've been doing this a long time now and have a good idea as to what prices the market will bear.</p> <p><b>Yarn and roving:</b> We use 1/3 of retail as our starting point, some yarns that are dated go lower, some that are desirable are higher.</p> <p><b>Wool Fabric:</b> Is always sold by the pound.</p> <p><b>Used knitting needles and hooks:</b> Selling prices range up to \$5, depending on the brand.</p>	

**Used spinning and weaving equipment:** If in new condition, we start at 75% of current retail price. Older equipment price is based on current used market value.

**Books:** Priced according to current used book prices on-line and the local market.

**Other used equipment:** Priced according to current market and condition.

**Wheels and Looms:** If you bring in a wheel or loom, think about what dollar amount you'd like to receive from it. You will receive 70% of the sale and the shop receives a 30% commission on loom and wheel sales. If your loom or wheel requires reconditioning or parts, they will be subtracted from your 70%. All looms and wheels are tuned up, polished and cleaned at *no charge* to the seller. For example: If a loom sells for \$1000, you will receive \$700 if it arrives in good condition. If we spend an hour repairing it and must purchase parts that total \$75, then you will receive 70% of \$1000 minus \$125 or \$612.50. What amount do you hope to receive?

>>>>>\$ \_\_\_\_\_ How much, if any, may we reduce the sale price without seeking your permission?

>>>>>\$ \_\_\_\_\_ If we receive an offer below the agreed on price, your permission will be sought before the sale is closed. If it hasn't sold after 2 to 3 months, we will contact you to secure a reduction in price. Looms and wheels that remain unsold after 9 months will be:

Returned to seller  Donated as HSW sees fit (program, school, individual)

**We will fairly price your goods and put them out for sale.**

If you would like an itemized list of your items and their pricing, please check here .

**THE AGREEMENT:** I understand that I will receive 70% for the sale of a loom or a wheel (repair exception noted above) and 50% for the sale of all other goods placed on consignment. If placed on consignment, I agree that my goods (excluding looms and wheels) may be reduced in price by 50% after a period of 6 months. Any goods (except looms and wheels) that have not sold after 9 months will be donated to charity.
